*Audit. Tax. Advisory.*

## **Independent Auditor's Report**

To the Directors of Park Street Education

### **Opinion**

We have audited the financial statements of Park Street Education (the "Organization"), which comprise the statement of financial position as at December 31, 2024, and the statement of operations, statement of changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2024 and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO").

### **Basis for opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of management and those charged with governance for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

## **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risks of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

# McGovern Hurley

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Park Street Education**  
**Notes to the Financial Statements**  
**Year Ended December 31, 2024**

---

**1. Purpose of the Organization**

Park Street Education (the “Organization”) is a charitable, social impact organization with a vision to close the equity gap in education for underserved youth. The Organization was incorporated under the laws of Canada as a not-for-profit organization on May 7, 2021 and obtained registered charity status on January 1, 2023.

Under the Income Tax Act (Canada), the Organization is exempt from income taxes and is able to issue donation receipts for income tax purposes.

**2. Summary of significant accounting policies**

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

*Revenue recognition*

The Organization follows the deferral method of accounting for contributions. Restricted contributions are initially recorded as deferred contributions and recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as cash is received.

Tuition fees and corporate services are recognized over the term of the service or partnership contract based on the passage of time, when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Amounts not recognized in the fiscal year are recorded as deferred revenue.

*Use of estimates*

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and net assets and disclosure of contingent assets and liabilities at the date of the financial statements and the related reported amounts of revenue and expense during the year. Actual results could differ from those estimates. These estimates which include reserves for accounts receivable, and accrued liabilities are reviewed periodically and adjustments are made as appropriate in the year they become known.

*Allocation of expenses*

The costs of each function include the costs of personnel and other expenses that are directly related to the function. Salary and benefits expenses are allocated based on the employees' role.

*Financial instruments*

The Organization initially measures its financial instruments at fair value, except for related party transactions, adjusted by, in the case of a financial asset or financial liability that will not be measured subsequently at fair value, financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. When a financial asset is originated or acquired or a financial liability is issued or assumed in a related party transaction, the Organization initially measures at cost. The cost of a financial instrument in a related party transaction depends on whether the instrument has repayment terms. When the financial asset originated or acquired or the financial liability issued or assumed has repayment terms, the cost of the instrument is determined using the undiscounted cash flows, excluding interest and dividend payments. When the financial asset originated or acquired or the financial liability issued or assumed does not have repayment terms, the cost of the instrument is determined using the consideration transferred or received by the Organization in the transaction.

**Park Street Education**  
**Notes to the Financial Statements**  
**Year Ended December 31, 2024**

---

The Organization measures its financial assets and liabilities, except for related party instruments, subsequently at amortized cost. Financial assets subsequently measured at amortized cost include cash, accounts receivable, and accounts payable and accrued liabilities.

The Organization measures its related party financial instruments with repayment terms using the cost method less any reduction for impairment. These include accounts receivable, accounts payable and accrued liabilities.

*Contributed materials and services*

Materials and services are regularly contributed to the Organization. Due to the difficulty in determining their fair value, contributed goods and services are not recognized in these financial statements. This includes the use of volunteers to provide services.

*Software as a service*

The Organization has elected to apply the simplification approach in recognizing costs associated with cloud computing arrangements. These costs are recognized as an operating expense in the statement of operations.

**3. Financial instruments**

The Organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Organization's risk exposure and concentration as of December 31, 2024.

*Credit risk*

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Organization is exposed to credit risk from customers. In order to reduce its credit risk, the Organization reviews a new customer's credit history before extending credit and conducts regular reviews of its existing customers' credit performance. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. As at December 31, 2024, 100% (2023 – 100%) of the accounts receivable was due from one customer (2023 – one customer).

*Liquidity risk*

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Organization is exposed to this risk mainly in respect of its receipt of funds from its customers and other related sources, and accounts payable. As at December 31, 2024, 100% (2023 – 100%) of the accounts payable was due to one vendor over 10% (2023 – one vendor).

**4. Related party transactions**

During the year ended December 31, 2024, the Organization incurred salaries and associated payroll expenditures of \$30,000 (2023 – \$15,000) to a key member of management and \$28,920 (2023 – \$7,710) to a board member of the Organization.

During the year ended December 31, 2024, the Organization incurred \$41,921 (2023 – \$15,076) in expenditures due to an organization related to a director of the Organization. These amounts were recorded at the exchange amount, which is the amount agreed to by the related parties.

**Park Street Education**  
**Notes to the Financial Statements**  
**Year Ended December 31, 2024**

---

As at December 31, 2024, accounts receivable included \$nil (2023 – \$11,640) due to an organization related to a director of the Organization.

As at December 31, 2024, accounts payable and accrued liabilities included \$143,421 (2023 – \$109,217) due to an organization related to a director of the Organization. The accounts payable were generated through costs incurred by the related organization on behalf of the Organization.

**5. Software as a service**

During the year ended December 31, 2024, the Organization incurred \$5,296 (2023 – \$4,468) in expenditures related to cloud computing arrangements.

**6. Comparative figures**

Certain comparative figures have been reclassified to conform with the current year presentation.
